In the space provided below, please compose a brief introduction as the person who nominated the student, to be delivered before the student's speech presentation."

Following the introduction, the student will provide a three-minute speech addressing specific questions related to their inspiration, goals, and advice for other young people. The questions are as follows:

- How did you feel when you found out that you were nominated for the award? What do you think about the person who nominated you?
- What inspired you to pursue your achievements?
- What are your plans for staying focused on your educational goals, and how do you plan to help others in the community?
- What advice would you give to other young people interested in pursuing their passions and interests?

Each student should prepare their speech by responding to the above set of questions. They can then use these prepared answers as reference notes for their presentation.
