Parents are required to complete and submit the "Participant Evaluation Form" within 30 days after the end of an activity in the Southfield Youth Assistance (SYA) program. Failure to do so will result in their children being ineligible for scholarships in the following year. The SYA program mandates that both parents/guardians and activity providers fill out these feedback forms after each activity.

These forms are crucial for evaluating the effectiveness of the activities and identifying areas for improvement. The forms can be downloaded from the SYA program's website on the "Skill Building" tap.
